

THE WELCOME HOME PROJECT

creating a home for families of seriously ill children

Ronald McDonald House
Shreveport-Bossier

As an agent, **YOU work tirelessly for your clients** to help them buy or sell their home.

As a partner with the Ronald McDonald House Shreveport-Bossier, **you will also help provide the perfect home for families of critically ill children.**

HOW: Welcome Home Project Agents pledge to give \$100 of every home sale. It is no coincidence that \$100 provides a night's stay in a Ronald McDonald House.

WHY: To help build the first Ronald McDonald House in Northwest Louisiana and provide a **free home away from home** for families when they must travel for life-saving pediatric medical care. **Currently, there is no place where a family can stay for free when their child is hospitalized.**

Families in this community are facing undue hardships to be with their child or worse, their child is alone in the hospital or not treated at all. By supporting this project with \$100 from each home sale, 100% of your donation will stay local to help build and sustain the mission of serving families in their greatest time of need.

Brianna had a 15-month-old toddler at home when her baby was born 5 months early. She spent 122 days with her newborn in the NICU.

“Each day I had to make a choice - which child would receive my attention? My tiny, sick baby or my toddler? How do you choose between your children?”

With a Ronald McDonald House, families will not have to choose. There must be a way for a family's support system to stay intact, otherwise, the stress and trauma multiply exponentially. I really have no words to tell you how valuable it will be. It will solve so much!”

RECOGNITION: Your name will be featured on the Welcome Home Project webpage and you may also use the Ronald McDonald House Shreveport-Bossier logo on your website, social media, business cards or other promotional items. If individual agents or the agency as a whole donate \$5,000+ you will be recognized on the Founding Donor Wall for the lifetime of the House.

NEXT STEPS: 1 year commitment, opt out at any time.
