THANK YOU TO ALL PAST CHOCOLATE DONORS!

Thanks to YOUR generosity the 2024 Chocolate Fantasy Ball raised **more than \$787,000** to support families

"I had heard my baby's heartbeat at 8 weeks, so never in my wildest dreams did I think I would have complications. At 12 weeks I received a critical diagnosis. I was hospitalized in Fort Smith with pain so intense the doctors had to give me strong pain meds. Through all that our baby girl continued to grow. Three weeks later I was transported to Little Rock by ambulance and was stable enough to stay in a nearby hotel for the next 6 weeks. At 21 weeks I was hospitalized and shortly after our daughter, Leilani Rose Marie, was born - weighing just 1 lb 10 oz, not quite 11" long. We were able to stay in the Ronald McDonald Family Room, steps from her room in the NICU. The space is so comfortable, staff and volunteers were so kind, and we had everything we needed right there. Thank you to everyone who makes that place possible." - **Brenda, 66 nights**
