"This journey has been filled with ups and downs, and through it all, the Ronald McDonald House has been so helpful for our family. Thanks to this incredible generosity, I've been able to stay close to Cooper throughout his entire NICU stay (more than a year), offering him comfort and love during the most challenging times. The Ronald McDonald House has truly been a sanctuary, providing not just a place to stay, but a community of support and family that has made all the difference. I've been able to be there for every milestone, every setback, and every moment of joy. To show my gratitude, I dedicate my spare time to volunteering at the Ronald McDonald House, ensuring that other families can also experience the same warmth and support that we have. It's a small way to give back to an organization that has given us so much. I'm very lucky to have Cooper in my life ❤️ I had to be blessed by others to be able to bless others."
Cooper's mom, Kailey - 378 nights and counting
